CLUBJUKE

E-SYSTEMS PRO

THE INCREDIBLE TOUCH SCREEN, CHART TOPPING, VIDEO CLIP PLAYING, KARAOKE JUKEBOX!

These fabulous Jukeboxes not only let you choose from 1,000's of No.1 music hits but actually play chart-topping MTV style video clips as well! With a super fun Karaoke Option to add another amazing dimension to your next party or function.

EASY "TOUCH SCREEN" OPERATION - It's so easy to operate it really is child's play with the user-friendly Touch Screen.

MASSIVE PLAYLIST - Choose your play list from 1000's of tracks set in easy to pick categories. So you can party all night long.

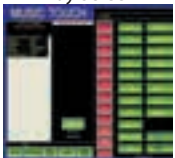

NO GAPS - Play your favourite songs on continuous random play or one at a time with no gaps between songs. Keep programming while songs are playing. Non-stop dancing!

PLAYS VIDEOS - Play the latest 'MTV' style video clips on the jukebox screen or choose retro clips from the huge play list. You can also display on an additional screen, like a plasma, TV or video projector.

Selection Screen

Play Screen

List Screen

To add to the visual treat, the system includes a BUILT-IN LIGHTSHOW in the retro-styled front panel.

EASY TRANSPORT - E-System Jukeboxes are "modular" so they can fit in most cars, and they're a one person operation to move.

KARAOKE OPTION - Turn your Jukebox into the ultimate Karaoke player and open up a world of fun. Thousands of Karaoke titles to choose from. The words for the songs appear on the jukebox screen. Easy to operate mixer with echo, and delay will make you sound like a pro. See mixer (mix2new) below.

SOUND SYSTEM OPTION - Both systems will operate with ANY sound system. Unlike jukeboxes with built in speakers, you can tailor your external sound system to suit your party, venue or environment.

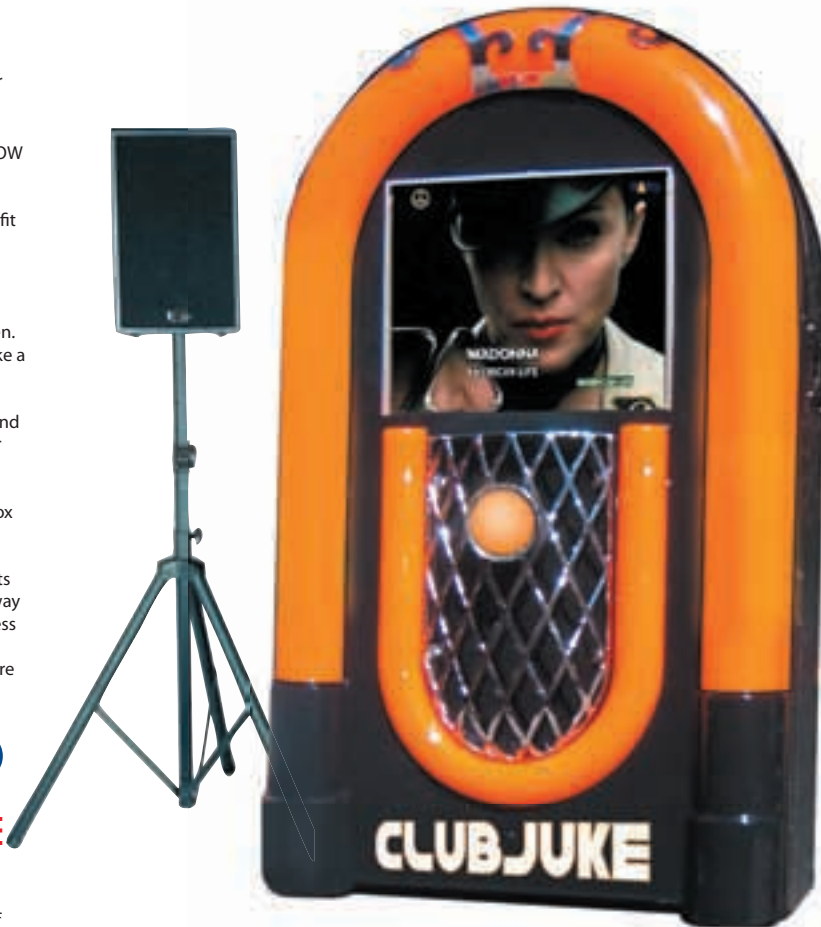

If you are in the hire business there is no better way to offer jukebox hire than an E-Systems Jukebox. These jukeboxes can be totally customised to your needs. Select from the extensive library of karaoke music or install your own. You can program advertisements so your business is promoted at parties and events - what better way to spread the 'word of mouth'. You can set up play lists or limit access to certain songs (eg. M or R rated songs for a kids party). Ideal for clubs, pubs, home use, hire companies, corporate events - any where a guaranteed good time is required!

CLUBJUKE*

\$POA CLUBJUKE

The CLUBJUKE is modelled on the classic Wurlitzer design with all the features you need for user friendly entertainment. Designed with wheels for ease of transport and rear stands to ensure the unit is stable. Featuring built in flashing lights the CLUBJUKE will truly be the centre of any party or event.

FOR THE ULTIMATE JUKE BOX EXPERIENCE JUST ADD A SOUND KING OPUS OR B-52 MATRIX SOUND SYSTEM PACKAGE.

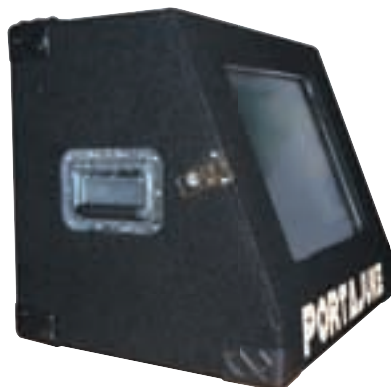

PORTAJUKE*

\$POA PORTAJUKE2

PERFECT FOR HIRE DEPARTMENTS

The PORTAJUKE is the compact version of the CLUBJUKE. With all the same features as its bigger brother, the PORTAJUKE is best suited to applications where portability or space is a concern. Installed in a compact carpeted case with heavy duty handles, the system also comes with a protective front cover for the screen. An optional karaoke function can also be installed.
